SG TAEKWON-DO
STUDENT HEALTH DECLARATION

Confidential — complete one form per student

Return this form privately to: seangradytkd4@gmail.com

A completed declaration is required before the student takes part. If no completed form has been provided, the club has no health declaration on record; this does not mean the student has no health issues or is medically fit to participate. The club may ask for the form or further information before participation where needed for safety. Health information is sensitive: do not post completed forms publicly.

1. STUDENT DETAILS

Student full name

Date of birth

Parent / guardian (if under 18)

Emergency contact and relationship

Emergency contact phone

---

2. HEALTH INFORMATION

Does the student have any health condition, allergy, injury, disability, medication requirement or other consideration that could affect safe participation in Taekwon-Do or require action in an emergency?

■ Yes

■ No

Relevant details (condition / allergy / injury / triggers)

Medication / emergency treatment instructions (if relevant)

Adjustments or restrictions requested for training (if any)

---

3. DECLARATION & PRIVACY

I confirm that the information provided is accurate to the best of my knowledge. I will tell the club promptly if relevant health information changes. This form helps the club consider safe participation and respond to emergencies; it is not a medical assessment or guarantee of safety.

Health information is sensitive personal data. SG Taekwon-Do will restrict access to people who need it for student safety, use it only for appropriate safety and administration purposes, and handle it under applicable data-protection law and the club privacy notice.

Parent / guardian or adult student name

Date

Signature (type full name if completing electronically)

■ Student has been involved in discussing relevant health information, where appropriate.

CONFIDENTIAL — KEEP SECURELY. Update this form when relevant health details change. Do not distribute completed forms publicly.
